INTERMODAL SERVICES PROVIDER

INTERMODAL SERVICES PROVIDER

As Intermodal Services Provider, we take care of the inland transport of goods in combined modes: Rail/Barge/Road:

- We coordinate & execute the point-to-point transport
- We operate the interconnection nodes between modes and deliver transport related logistics services

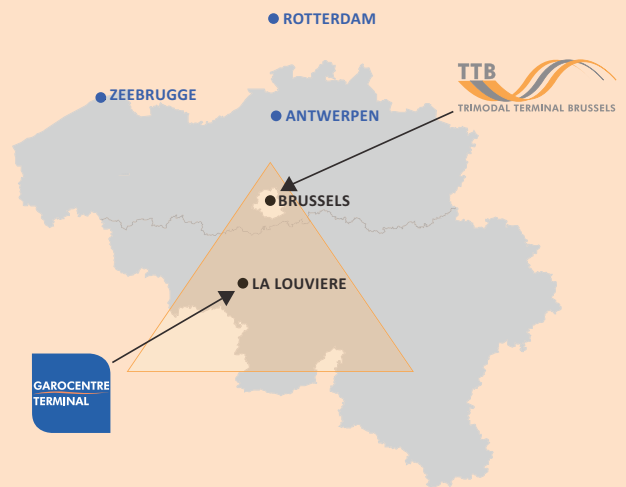

NORTH-SOUTH AXIS ANTWERP-BRUSSELS-HEART OF WALLONIA

We deliver our intermodal services to shippers, forwarders and maritime companies established or acting on the North South Axis Antwerp-Brussels-Heart of Wallonia

Our services are carried out via two trimodal terminals:

- In Brussels: **TTB – TRIMODAL TERMINAL BRUSSELS**
- In Houdeng / La Louvière: **GAROCENTRE TERMINAL**

LOGISTICS FLOWS

Our terminals are equipped to handle and store all types of goods, including hazardous goods.

We operate the modal shift and the transport of containerized and conventional maritime flows to/from the Sea Ports, as well as of continental flows all over Europe.

MARITIME FLOWS - ANTWERP - ROTTERDAM - GHENT - ZEEBRUGGE

CONTINENTAL FLOWS - FRANCE - GERMANY - HOLLAND - LUXEMBOURG - SPAIN
